OFFICIAL RULEBOOK

GPPL Season 1

German Pakistan Padel Liga · League & GPPC Cup

Version 1.0 · Effective from 19 October 2026

§1 General

8–12
pairs (max. tentative)

2.5–4 months
league, cup & finale

Best of 3
sets, match tie-break at 1–1

Playtomic
every match recorded as competitive

The GPPL is a league from our Pakistani community in Germany – open to all padel friends. If more pairs register than there are places by the deadline, full Pakistani pairs get priority.

- If you have a non-Pakistani partner and would lose your place to a full Pakistani pair, you first get the chance to find a Pakistani partner (in the order of your position in the list) – otherwise the place goes to the next pair on the waiting list.

The league has a minimum of **8 pairs** and a maximum of **12 pairs** (the maximum is tentative).

The season lasts approx. **2.5–4 months**, depending on the number of pairs (about 2.5 months with 8 pairs, about 4 months with 12): the league and the cup, ending with a finale.

Matches are best of 3 sets and are recorded as **competitive matches in Playtomic**.

At 1–1 in sets, a **match tie-break** (first to 10, win by 2) decides. It counts as the 3rd set.

Exception: the GPPC Cup **semi-finals and final** are played over **3 full sets** – no match tie-break (§4).

At 2–0 the match is over. A 3rd set played for fun doesn't count and must not be entered in Playtomic.

§2 League

1 league
one table for all pairs

7–11
matches – everyone plays everyone once

10 days
per matchday

3 milestones
2 → 6 → all matches played

There is one league. Every pair plays every other pair once – 7 to 11 matches, depending on the number of pairs.

Matches are played in **10-day matchdays**. The start date and the **whole schedule** – all matchdays and pairings – will be published at once on the Schedule tab.

Within the matchdays, pairs are flexible. If there is a scheduling conflict with an opponent, a match from a later matchday may be played first as an exception. Every pair must reach these **milestones**[*]:

Milestone	8 pairs 7 matches · 7 matchdays	12 pairs 11 matches · 11 matchdays
1	**at least 2** end of matchday 3	**at least 2** end of matchday 4
2	**at least 4** end of matchday 6	**at least 6** end of matchday 8
3	**all** end of matchday 7	**all** end of matchday 11

With a different number of pairs, the milestones are adjusted on the same model.

[*] The milestones might change after the registration deadline, depending on the proposed start date.

Matches missing at a milestone are treated as walkovers (§6): the pair responsible gets a 1-point deduction – if both pairs are at fault, both do.

§3 Points & tiebreakers

Points per match:

Result	Winner	Loser
2–0	3 points	0 points
2–1	2 points	1 point

Pairs level on points are ranked by:

1. **Head-to-head**
   result between the pairs
2. **Matches won**
3. **Set difference**
4. **Game difference**

If 2 pairs are still level for a medal position, a playoff match of a **single set** decides (tie-break at 6–6).

§4 GPPC Cup

*The **German Pakistan Padel Champion Cup** – a tribute to GPPC itself.*

🎱 Live draw
before every round – who plays whom is a surprise

🔐 Seed words
from 3 random people decide each draw

✅ Verifiable
anyone can recheck a draw on the website

1. **Round 1**
   random draw – every pair plays
2. **Lucky losers**
   random draw – where applicable
3. **Quarter-finals**
   random draw
4. **Semi-finals**
   random draw
5. **Final**
   no draw – the semi-final winners meet at the finale

The GPPC Cup is a knockout cup. Every pair takes part, and rounds are drawn randomly (Pokal style).

The cup is played alongside the second half of the league. Each round has a window of **2 league matchdays**, and its draw takes place at the start of the window:

Cup round	8 pairs league: 7 matchdays	12 pairs league: 11 matchdays
Round 1	– round 1 is the quarter-final	**Matchdays 6–7** all 12 pairs
Quarter-finals	**Matchdays 4–5** all 8 pairs	**Matchdays 8–9** 6 winners + 2 lucky losers
Semi-finals	**Matchdays 6–7**	**Matchdays 10–11**
Final	**At the finale** no draw	

With a different number of pairs, the cup windows are adjusted on the same model.

Round 1: every pair plays. With an odd number of pairs, one pair gets a random bye.

Where applicable, **lucky losers** drawn from the round 1 losers fill up the quarter-finals. They aren't needed when round 1 already leaves exactly 8 pairs (e.g. with 16 pairs).

The quarter-finals and semi-finals are drawn randomly again.

There is **no draw for the final** – the two semi-final winners meet.

Every draw is decided by **seed words**: 3 randomly chosen people – participants or not – each give one word, and the words are revealed at the same time. Anyone can check a draw on the Verify draw tab.

Cup round 1 and the quarter-finals are played like league matches (match tie-break at 1–1). The **semi-finals and the final are 3 full sets** – book 2 hours.

Courts for cup matches are booked as for league matches (§5), except the final (§8).

A cup match must be played within its window. Otherwise, the pair responsible is **out of the cup** (walkover). If both pairs are at fault, both are out: the next draw gives a bye for the free place – and in a semi-final, the other semi-final winner wins the cup.

§5 Courts

DEFAULT

Wellpass court

Date and time agreed by both pairs.

EXCEPTION

Paid court

Only if both pairs agree (costs split equally), or the pair suggesting it pays the full court.

By default, matches are played on **Wellpass courts**. Date and time are agreed by both pairs.

A paid court is only used if both pairs agree (costs split equally), or if the pair suggesting it pays the full court.

§6 Postponements & walkovers

VALID REASONS TO POSTPONE

- Home-country trip
- Long business trip
- Injury
- Illness

WALKOVER

+3	−1	−1 / −1
opponent	pair responsible	both at fault

Counts as 2–0 in sets, 0–0 in games.

A match may only be postponed for a home-country trip, a long business trip (covering at least 50% of the matchday window), injury or illness.

The organizers must be informed as soon as possible.

Milestones and the end of the league are **hard deadlines**.

In case of a **walkover**, the opponent gets 3 points and the pair responsible gets a 1-point deduction.

If **both pairs** are responsible for the match not being played, both get a 1-point deduction.

A walkover counts as 2–0 in sets and 0–0 in games.

Walkovers are not entered in Playtomic – the organizers record them.

§7 Replacements & withdrawals

REPLACEMENT PLAYER

Injury, illness or unplanned home trip

Similar level, approved by the organizers. At least one original player plays.

WITHDRAWAL

Free until the draw

After that: find a new partner – or the waiting list / a replacement team takes the place.

A replacement player is only allowed for injury, illness or an unplanned trip to the home country.

The replacement must be of similar level and approved by the organizers in due time.

At least one original player of the pair must play.

A replacement can't be a player from another league pair.

Withdrawing is free until the registration deadline / before the draw.

After that, if one player can't continue, they find another partner.

If the whole pair withdraws, the first team of similar level on the waiting list takes their place. If there is none, the pair must find their own replacement team.

Replacement players and teams must be of similar level and approved by the organizers.

§8 Prizes & finale

Prizes:

	🥇 1st	🥈 2nd	🥉 3rd
League	**Trophy or medal**	Medal	–
GPPC Cup	**Trophy or medal**	Medal	Medal*

* Only if a 3rd-place match is played – to be decided later.

The **season finale** includes the GPPC Cup final (and maybe the 3rd-place match) and the awards ceremony.

Get-together
watch, cheer, mingle, refreshments

The finale is more than just the final – it's a get-together for our community: watch the final, support your friends, mingle and enjoy some refreshments.

Finale courts will be Wellpass courts, booked by the organizers. We'll need some flexibility from everyone on date and time to keep costs down.

The finale may be postponed or cancelled for unavoidable reasons. In that case, the organizers announce how the cup final is played and how the prizes are handed out.

Result in Playtomic as a competitive match

> **No photo, no result.** A match without the team photo isn't counted – if it isn't replayed in time, both pairs get −1 point (§9.2).

Before each match, take a photo of all 4 players together on court and post it in the GPPL WhatsApp group before the match starts.

Without the photo, the match isn't counted. It counts as not played and must be played again within the matchday window or, at the latest, before the next milestone (§6 applies). If it isn't played again in time, **both pairs get a 1-point deduction**.

If a replacement player plays (§7), they must be in the photo – it shows who actually played.

The match is played as described in §1 (league) or §4 (cup).

After the match, the result is entered in Playtomic (§10).

§10 Playtomic & results

1. **Competitive match**
   with the 4 players who play
2. **Winners enter**
   the result within 48 hours
3. **Opponents confirm**
   in Playtomic
4. **Official result**
   added to the website

Every player needs a **Playtomic account with a level** before the season starts, and must keep it for the **whole duration of the league**.

Every league and cup match is recorded as a **competitive match** in Playtomic, with the 4 players who actually played.

The winning pair enters the result in Playtomic within **48 hours**, and the opponents confirm it.

The confirmed Playtomic result is the **official result**. The organizers enter it into the league table and the cup on the website.

If the pairs disagree on the result, they inform the organizers within 48 hours. The organizers decide.

A 3rd set played for fun (§1.6) and walkovers (§6.7) are never entered in Playtomic.

Competitive matches change your Playtomic level – that's part of playing in the league.

§11 Photos & media

WHATSAPP GROUP

Matchday photos

Mandatory – proof that a match was played.

WEBSITE & SOCIAL MEDIA

Matchday & selected photos

You can opt out of publication at any time – your photos are then removed or blurred.

VIDEO

Match recordings

Only if all 4 players agree – the finale and award ceremony are always recorded.

During the season, photos and short videos are taken – matchday photos (§9), draws and the finale.

Before each match, the team photo is posted in the GPPL WhatsApp group as proof that the match was played. This is **mandatory** (§9).

Matchday photos and other selected photos and videos are published on the GPPL website and its social media channels.

By registering, players agree to this. Anyone can opt out of **publication** at any time by telling the organizers – from then on, photos and videos of them are not published, and published ones are removed or they are blurred or cut out. The WhatsApp proof photo (§11.2) is still required.

Please only share photos of other players outside the league channels with their permission.

Video recording: a match may be recorded only if **all 4 players agree** before the match starts.

If a match is recorded, a copy of the recording must be given to the organizers.

Clips or the full video may be published on the GPPL website, YouTube or similar platforms.

The **finale matches and the award ceremony** are recorded and may be published in the same way. The opt-out in §11.4 also applies to videos.

§12 Terms & conditions

REGISTRATION & ELIGIBILITY

By registering, every player accepts this rulebook, including these terms.

Players must be at least **18 years old**, or have the consent of a parent or guardian.

Each player can only be registered in **one pair**.

The **registration deadline** is one week after the 8th pair has registered. The exact date is then announced on the website.

A registration is only valid once the entry fee has been paid – the **time of payment** counts as the time of registration. Places are given first come, first served, with the priority rule in §1.1. One organizer pair may be exempt from this.

Team names must be respectful. The organizers can ask a pair to change an offensive or inappropriate name.

If fewer than **8 pairs** register, the season doesn't take place and all entry fees are refunded.

ON AND OFF COURT

Fair play: respect your opponents, the rules and the clubs. Players call the balls on their own side – if in doubt, the point is replayed.

Be on time. If a pair is more than **15 minutes late** without notice, the opponent can claim a walkover. The organizers decide.

If a match can't be finished in the booked court time because a pair – or one of its players – arrived late, the **opponent gets a walkover** (§6).

Every player brings their own racket. Each pair brings balls in good condition – the organizers provide new balls for the cup semi-finals and finals.

The house rules of each club apply. Cancellation fees and damage are paid by whoever caused them.

If a court becomes unavailable (e.g. closure or a booking problem), this counts as a valid reason to postpone (§6).

The organizers can exclude players or pairs for unsporting behaviour. The entry fee is not refunded.

MONEY

The **entry fee is €30 per pair**. It covers prizes, balls for the cup semi-finals and finals, and the finale. It is not refunded after the registration deadline.

If the season has to be stopped early, entry fees are only refunded if the organizers are at fault. Otherwise, the organizers decide how any remaining money is used.

SAFETY, DATA & ORGANIZERS

Participation is at your own risk. The organizers are not liable for injuries, lost or damaged belongings, or court costs. Every player is responsible for their own health and insurance.

Data: team names, player names and results are shown publicly on the website. Contact details are only used by the organizers to run the league and are deleted after the season.

Official communication happens in the GPPL WhatsApp group and on the website. Players must be reachable there.

If an organizer plays in a match that needs a decision, another organizer or a neutral person decides.

For anything this rulebook doesn't cover, the official rules of the **International Padel Federation (FIP)** apply.

In situations neither this rulebook nor the FIP rules cover, the organizers decide. Their decision is final.

The organizers may adjust the rules during the season if it becomes necessary. Changes will be communicated through the proper channels.
